

Bertram Country Christmas

2026 VENDOR QUICK OVERVIEW

What returning vendors need to know before applying

Welcome back! Here's a fast rundown of dates, fees, and what's new for 2026. For full rules and details, see the complete Vendor Information & Application Guide.

- **Application Deadline:** Friday, November 6, 2026 (applications after this date go on a waiting list)
- **Payment Due:** Within two weeks of acceptance notification

BOOTH FEES (Non-Refundable)

Good news — fees are unchanged from 2025, with one update for alcohol vendors below!

- Vendor Booth (Tent / Boutique Trailer): 10×10 – \$75 • 10×20 – \$150 • 10×30 – \$225 • 10×40 – \$300

WHAT'S NEW FOR 2026

- **Breweries now welcome:** Alongside wineries and distilleries
- **Electricity:** Limited 20 amp/110v outlets, \$100/outlet, first-approved/first-served.
- **Clearer co-vendor rules:** Sharing or requesting adjacent booths now has spelled-out steps — see the full guide.
- **New — Youth Market:** Piloting the North Pole Young Entrepreneurs Market (ages 10–17), a separate program with its own application — doesn't affect general vendors.

GOOD TO REMEMBER

- Booths are assigned in the order applications and payment are received — not by choice of location. Apply early for the best placement order.
- Vendor spaces run primarily along Grange & Gabriel Streets (Vaughan St. limited due to the Parade route).
- A photo of your products and/or booth setup is required with your application.
- All vendors are responsible for collecting and remitting the 8.25% Bertram sales tax (or noting their exemption) — see Texas Comptroller rules.
- Vendor Check-In & Load-In: 6:00 AM – 8:30 AM. No early teardown — booths stay open until 4:00 PM. Tents must be weighted: minimum 50 lbs per leg on paved surfaces, no stakes.
